

## Good Student Discounts

### Per State Farm Website

- **[Good Student Discount](#)**

Drivers under the age of 25 may be eligible for our Good Student Discount.

To be eligible, the driver must be a full time student in high school or at a college or university who maintained one of the following in the immediately preceding school semester:

- Ranked scholastically in the upper 20% of his or her class
- Had a grade average of B or higher
- Had a grade point average of 3.0 (out of 4.0) or higher
- Made the Dean's List or Honor Roll

Drivers who have earned an Associate's Degree and have a cumulative scholastic record meeting the above requirements may also be considered.

Drivers who have graduated from a four-year college or university may also be considered.

Home study students may be eligible if they submit evidence they have taken certain national standardized tests, administered within the last 12 months and ranked in the upper 20%.

Proof of eligibility is required when an application for insurance is submitted.

### Country Companies Website

Good student discount\*

Keeping their grades up can [lower your insurance rates](#) by as much as 25%!

High school and college students who maintain a B or better average may be eligible to receive a [discount](#) of up to 25 percent. And COUNTRY Financial offers discounts to all college graduates, regardless of their grade point average.

Per phone call to Country Financial, B average 3.0 on 4.0 scale.

### Allstate Website

Good Student Single full-time students under 25 can save up to 20% just by getting good grades.

Per Agent Bret Boyd's office, Belleville, students need a B average, 3.0

USAA.com 1-800-531-8722 Spoke with Eliza

Good student discount available in Illinois.

Must be under 25, full time student

Have a B average, 3.0 on a 4.0 scale, or on Honor Roll or Dean's list

None of these insurers look at grading scale, just the grade average. All require 3.0 on 4.0 scale.

Country Companies and State Farm will also give discount to those in upper 20% of their class, regardless of the grade point average.
